

➤ Features

- Output Type: DC
- Connection: Plug In
- Name: 12v 15a power adapter
- Input: AC 100-240v 50-60hz
- Output voltage: 12v 15a
- Power: 180w
- Type: Laptop adapter
- Certificate: CE ROHS
- Color: Black
- Dimension: 117*52*39mm
- Plug: USA UK EU AU Plug
- Warranty: 2 Years

➤ Introduction

Model UP-ADC-22012V15A	
Usage	<ul style="list-style-type: none"> * LED strip ,LED light ,LED table lamp. * Router,amplifier,CCTV camera, * Home appliances ,setup box ,speaker, * Audio & Video equipments, * Wireless communication electronics . * Medical equipments
DC Output Voltage	12V± 5%
DC Output Current	15A
DC Output Power	180W
Working Efficiency	80%
Adapter Size	89.10*46.50*36.60mm (L/W/H)
Warranty	2 years
Certificates approved	CE ROHS FCC level VI
Input Rated Voltage	86Vac~264Vac
Input Frequency Range	47Hz~63Hz
Safety protection	output voltage protection (120%-150% rated output current)
	output current protection (150%-180% rated output current)
	short current protection
Ripple and Noise	less than 60Mv at full road with 20MHz bandwidth
DC connector	5.5*2.1*10mm(optional)
DC cable	1.2m/1.5m 2464UL 22AWG cable (optional)

Operating Temperature	0°C - +55°C
Storage Temperature	-20°C - +85°C
Safety Standard	EN60950 EN60601 ESD (EN61000 3-3)
	CAS(60950 ITE/TE ,EN60601 Medical) FCC Part 15 subpart B Class 2
	AN/NZS CISPR 22:2006
Turn On Delay Time	less than 3S (AC:110V and full load)
Net Weight	780G/pc
Gross Weight	17kg 20pcs/carton
Carton Box Size	54*43*27cm(L*W*H)

Optional AC plugs and DC jacks:

Optional AC cables:

Optional DCjacks:

Packing List

- AC to DC Power Adapter *1
- Certificate of quality * 1
- Warranty card * 1
- 25pcs/ carton White box inside, Carton Outside
